

Arts & Crafts

Family Fun Package

Summary of Event

Kirtland Air Force Base Arts & Crafts Center provides interactive Kids' Krafts & Events year round. With the enormously popular photos with Santa and our quarterly free Kids' Krafts!

In 2008 & 2009, hundreds of kids enjoyed Kids' Krafts by ornaments, bird feeders and much more! Our environment provides a safe atmosphere for creativity. And with the possibility of guest crafters, Kids' Krafts offers great learning experiences, too.

And in December, amidst the excitement of the holiday, our KAFB families rush in for a chance to steal a moment and a photo with Santa! Families are provided photos to send to loved ones

In 2008, over 400 people attended the photos with Santa event and 800+ photos presented in card photo frames were distributed. Families enjoyed a custom made sleigh scene with pictures of their little ones in the drivers' seat with Santa while mingling and enjoying snacks and such for our event.

Thousands visit Arts & Crafts each year, enjoying their friendly, interactive staff who provide the very best service and creative atmosphere possible. Imagine your exposure to our market!

All events are publicized 2-4 weeks in advance, and that means brand recognition for you!
