

## Fairs & Pumpkin Carving Contest

### Executive Summary

Craft fairs have been popular events at KAFB since before 9/11 and they're coming back by popular demand!

In 2010, we'll see a Spring Fling and Fall Colors craft fair highlighting crafters from or KAFB community. Located at the outside corner of the Arts & Crafts Center, one of our highest traffic locations, our craft fairs provide the opportunity for people to get involved as well as see what they can do.

To enhance our fairs, we hope to provide a free craft clinic for kids and a refreshment area where people can mingle and meet one another in these friendly events open to the entire base.

Coming in October 2010, the new and long awaited Arts & Crafts Pumpkin Carving Contest is sure to bring out the pumpkin artists off all ages!

Starting October 22-October 28, 2010 participants will submit their finished pumpkins to our Arts & Crafts Center. On October 29, 2010, these pumpkins will be transferred to our Bootastic Fall Festival & Halloween Party event where more than 2,000 will delight in their artistic glows. Winners will be announced at the festivities where prizes will be provided.

Your participation and / or support in the Arts & Crafts Programs at Kirtland Air Force Base will help reach more of our military family building a bridge from us to you.

These events are advertised 2-4 weeks in advance of each event.
