

**Bay 1** is now designated just for motorcycles and has two motorcycle lifts available.

**Why mess up your garage...**

Come use the paint booth and bay at Auto Hobby for any project that does not use polyurethane paint, to include projects like painting shelves, chairs, barbecue grills etc.

**Bay 2** is a body shop booth that can also be used to do any kind of sanding or body work such as welding, etc. and for those special projects like sanding a table or shelves.

**Check engine light on in your car?** Come to Auto Hobby, we have new Diagnostic equipment; this equipment will detect what the check engine light is indicating on the vehicle when there is a problem and can also upload new software.

**Car Wash** has 4 bays and is open 24/7. One bay has an open top and is big enough to wash those trailers and RV's. Want it done right, come do it your self!

**Welding Classes** 1700-2100 every 3rd Thursday of the month, \$25 per class.

**Auto Hobby Shop is Number 5 on the Map!**
